## **CONSUMER SHOWS**

DS Publicity Group has what it takes to generate the highest levels of consumer awareness and interest. We will create maximum interest in <u>your</u> show. We have experience with public relations and media promotions, having worked with high-profile exhibitions in Toronto and outlying markets. No matter the size of your event, DS Publicity Group can organize a campaign to fit your needs and budget.

We have run comprehensive campaigns for Performance World Custom Car & Truck Show and the North American International Motorcycle SUPERSHOW, the continent's largest motorcycle show. Some consumer show PR activities include media communications, radio promotions, ticket giveaways, sponsorships and show guide creation/writing. Other consumer shows include the Kitchener-Waterloo Home & Garden Show, Mukwa Geezis and the Beer & Cocktail Show.

Toronto Star – Performance World Custom Car & Truck Show
